Techno-Economic Clearance to the Power Projects in Karnataka

732. SHRI JANARDHANA POOJARY: Will the Minister of POWER be pleased to state:

(a) whether Government has received a request from the State Government of Karnataka for according Techno-Economic Clearance through the Central Electricity Authority in respect of Naphtha based liquid fuel power projects proposed to be set up at Nanjanagud, Mysore and Mandya of capacity 96.70 MW. 189.00 MW and 674.37 MW, respectively;

(b) if so, the project-wise details thereof;

(c) whether clearance has been accorded; and

(d) if no, the reasons therefor and by when the clearance would be accorded?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) Government of Karnataka has made a request for expediting the Techno-Economic Clearance (TEC) by Central Electricity Authority (CEA). to three Naphtha based power projects in the private sector.

(b) The details, as on 31.1.2000, of these projects, also indicating the inputs/clearances pending for accord of TEC by CEA are given below:—

Name of project/generating company	Capacity (MW)	Pending inputs/clearances
Nanjangud CCPP(M/s. IPS Power Company)	96.7	Resolution of inter-State angle of water availability by Central Water Commission (CWC)/ Ministry of Water Resources (MOWR).
Hassan CCPP (M/s Hassan Power Supply Co. Ltd.)	189	The Scheme was considered by CEA for TEC on 28.5.1999 when it was decided to reconsider it after hard cost is reduced by the project developer by Rs. 51 crores in addition to Rs. 20 crores already reduced by them and reduction of soft cost to a reasonable level. The pending inputs/clearances are the resolution of inter-State angle of water availability by CWC/ MOWR.
Mandya CCPP (M/s. Mandya Power Partners Pvt. Ltd.)	164.4	The pending inputs/clearances are compliance of Section 29(2) of the Electricity (Supply) Act, 1948— Corrigendum for revised capacity & cost in the Gazette, no objection certificate of the State Pollution Control Board Revalidation for revised capacity, firmed completed cost, water availability from CWC/MOWR, enhancement and transfer of fuel linkage in favour of the generating

Name of project/generating company	Capacity (MW)	Pending inputs/clearances
		company, fuel transport, clearance from Ministry of Environment & Forests-Revalidation for revised capacity, financial package, etc.

(c) No, Sir.

(d) The above schemes could be considered for accord of TEC only after the pending inputs/clearances are tied up by the concerned project authorities.

Transfer of Fuel Linkage to M/s. Bidadi Power Project

733. SHRI JANARDHANA POOJARY: Will the Minister of POWER be pleased to state:

(a) whether Government have received a request from the State Government of Karnataka to transfer the fuel linkage presently allotted to Karnataka Power Corporation Ltd., Bangalore (KPCL), in favour of M/s. Bidadi power project, a joint venture combined cycle power project of M/s. MPCL with capacity of 200 MW;

(b) if so, the details thereof and the views of the Central Government in this regard; and

(c) by when the clearance would be accorded?

THE MINISTER OF STATE IN THE MINISTRY OF POWER (SHRIMATI JAYAWANTI MEHTA): (a) to (c) Government has received a proposal from Government of Karnataka for transferring the Naphtha linkage from M/s Karnataka Power Corporation Limited to the newly formed joint venture company viz. M/s KPC Bidadi Power Corporation Limited in respect of the 400 MW Combined Cycle Power Project at Bidadi in Karnataka.

The matter is under consideration of the Government.

Setting up of Power Generation Plants

734. SHRI P. SOUNDARARAJAN: Will the Minister of POWER be pleased to state:

(a) the annual power requirement of State and their built in power generation capacity;
